

Business – Business Administration

curriculum code: 0632 | HEGIS code: 5004

minimum credit hours required: 60

This degree program offers students the opportunity to obtain a broad business foundation and the knowledge, skills, and values necessary for a variety of entry-level positions in business. This career program is designed to provide the student with the skills necessary to function in a professional, competent manner in business organizations. Students will take courses in accounting, management, law, computer applications, and courses that are related to business. Decision-making skills are stressed throughout the program as well as consensus-building skills that support working in team situations. **Program is also available online.**
