

Digital Graphic Design & Publishing

curriculum code: 1782 | HEGIS code: 5012

minimum credit hours required: 33

This certificate provides students a sequence of study that will offer them artistic and technical skills vital to the contemporary media design workplace. The coursework is intended to provide suitable preparation for entry-level employment in computer design and publishing; it also enables people currently employed in computer design and publishing a means to upgrade and expand their skills. **Program completion will require students to attend some classes on the Jamestown Campus.**
