

ARTICULATION AGREEMENT
in
EARLY CHILDHOOD EDUCATION (P-4)
between
EDINBORO UNIVERSITY
and
JAMESTOWN COMMUNITY COLLEGE

This agreement, made on this date, _____, provides a means by which graduates of the **Associate in Applied Science (A.A.S) Early Childhood** and the **Associate in Science (A.S.) Liberal Arts & Sciences: Early Childhood Education** degree programs at Jamestown Community College (hereafter “JCC”) can transfer with full junior standing into the **Bachelor of Science in Education (B.S.Ed.)** degree program in **Early Childhood Education (P-4)** at Edinboro University (hereafter “EU”).

I. Principles of Agreement

1. Admission Process.

- a. Intent to Enroll.** At least six months prior to matriculation at EU, the student confirms the intent to enroll by completing the admissions application. All students will follow established guidelines stated in the current EU college catalog for general admission to EU.
- b. Acceptance into the Early Childhood Education Program.** JCC students who have completed the A.A.S. Early Childhood or the A.S. Early Childhood Education with a minimum JCC grade point average (GPA) of 2.80 and who have completed at least 54 credits from Exhibit A will be admitted into EU and accepted into the B.S.Ed. in Early Childhood Education (P-4) degree program. Admission into teacher candidacy will occur upon completion of all requirements prescribed in the current EU college catalog.
- c. Student Transcript.** The student must forward an official final JCC transcript verifying receipt of the associate degree prior to registering at EU. Official transcripts from all other colleges and universities attended must also be provided. Costs associated with these transcripts will be paid by the student.

- 2. Specific Provisions of the Articulation Agreement.** To receive transfer credits and have them posted on an EU college transcript, **the student must apply** and be admitted to EU **within three years of completing their program at JCC**. Credits for students graduating from JCC more than three years before their admission to EU will be reviewed by the EU Early Childhood and Reading department.

- 3. Transfer of Credits and B.S. Degree Completion.** Students can transfer as many as 68 credits toward completing requirements for the 120-credit Early Childhood Education (P-4) degree. The EU graduation residency requirements state that 30 of the last 60 credits and 50% of the major requirements must be EU coursework. In addition, at least 42 credits must consist of advanced coursework (300 level or higher). Students can transfer all 68 JCC credits listed in Exhibit A and still meet all graduation residency and advanced coursework requirements by taking the remainder of their required courses at EU. Students who earn the A.A.S. Early Childhood or the A.S. Liberal Arts & Sciences: Early Childhood Education and transfer at least 54 credits from Exhibit A will have the opportunity to earn the B.S. Ed. in four semesters

at EU. The transfer of grades below a “C” will be reviewed in the same manner as the grading policy of native EU students.

- 4. Academic Policies and Requirements.** The specific academic policies/degree requirements for the B.S.Ed. degree will be those in effect at the time of the student’s admission into the program.
