

**ARTICULATION AGREEMENT**  
**in**  
**CRIMINAL JUSTICE**  
**between**  
**EDINBORO UNIVERSITY**  
**and**  
**JAMESTOWN COMMUNITY COLLEGE**

This agreement, made on this date, \_\_\_\_\_, provides a means by which graduates of the **Associate in Science (A.S.) in Criminal Justice degree program** and the **Associate in Applied Science (A.A.S.) in Criminal Justice: Police** at Jamestown Community College (hereafter “JCC”) can transfer with full junior standing into the **Bachelor of Arts (B.A.) Criminal Justice degree program** at Edinboro University (hereafter “EU”).

**I. Principles of Agreement**

**1. Admission Process.**

- a. Intent to Enroll.** At least six months prior to matriculation at EU, the student confirms the intent to enroll by completing the admissions application. All students will follow established guidelines stated in the current EU college catalog for general admission to EU. EU will acknowledge the student’s intent to enroll and the student will submit an advance tuition deposit that will be credited towards the first semester fees.
- b. Acceptance into the Criminal Justice Program.** JCC students who have completed the A.S. Criminal Justice or the A.A.S. Criminal Justice: Police degree program with a minimum grade JCC point average (GPA) of 2.00 will be admitted into EU and accepted into the B.A. Criminal Justice degree program.
- c. Student Transcript.** The student must forward an official final JCC transcript verifying receipt of the associate degree prior to registering at EU. Official transcripts from all other colleges and universities attended must also be provided. Costs associated with these transcripts will be paid by the student.

**2. Specific Provisions of the Articulation Agreement.** To receive transfer credits and have them posted on an EU college transcript under this agreement, **the student must apply** and be admitted to EU **within three years of completing their program at JCC**. Credits for students graduating from JCC more than three years before their admission to EU will be reviewed by the Criminal Justice, Anthropology, and Forensic Studies department.

**3. Transfer of Credits and B.A. Criminal Justice Degree Completion.** Students who have completed all of the General Education and Criminal Justice major requirements as delineated in this agreement will have the opportunity to transfer up to 90 JCC credits toward the requirements for the B.A. in Criminal Justice, requiring the completion of as few as 30 semester credits through EU.\* EU Graduation Residency Requirements include 30 of the last 60 credits and 50 percent of the major requirements must be EU coursework as part of the 120 credit bachelor’s degree requirements. In addition, at least 42 credits must consist of advanced coursework (300 level or higher). Students who earn the A.S. Criminal Justice or A.A.S. Criminal Justice: Police degree and transfer at least 60 credits from JCC (see Exhibit A) will

have the opportunity to earn the B.A. Criminal Justice degree in as little as four (4) semesters of full-time coursework at EU.

\*Number of credits and semesters required to complete at EU depends on how many EU requirements (i.e. General Education, Criminal Justice major requirements, and Criminal Justice electives) are met at JCC prior to transfer. Please note that the maximum number of credits in the major (designated as Criminal Justice Major Requirements in the agreement) that students can transfer is 21. A minimum of 30 credits of EU requirements must be taken through EU. Of the 30 credits, if students choose to take CRIM 395 at Edinboro then only 6 credits of CRIM 395 can count toward the 30 credit minimum. Students are strongly advised to work closely with the EU Criminal Justice, Anthropology, and Forensic Studies Department while they are still at JCC regarding course selection. The EU Criminal Justice Program offers courses face-to-face and also occasionally online. Students may be required to take face-to-face courses to complete their degree within four semesters.

4. **Academic Policies and Requirements.** The specific academic policies and degree requirements for the EU B.A. Criminal Justice degree will be those in effect at the time of the student’s admission into the program. For a course to transfer, a minimum grade of “C-” is required. Courses in which a grade of “D” is earned, will be reviewed in accordance with University policies and procedures. Criminal Justice courses will only transfer if the student receives a “C-” grade or higher.
