ARTICULATION AGREEMENT IN HOMELAND SECURITY
BETWEEN
JAMESTOWN COMMUNITY COLLEGE
AND
MEDAILLE COLLEGE

PURPOSE OF AGREEMENT
This document establishes a transfer articulation agreement between Jamestown Community College and Medaille College. Its purpose is to afford students the opportunity to pre-plan their college careers, and to facilitate the transfer process from Jamestown Community College to the Bachelor of Science (BS) Homeland Security degree program at Medaille College. The program is an online degree completion program for working adults. Students meet the NYSED requirements for online learning time through individual and group activities. Students must have access to an appropriate computer and Internet connection.

GENERAL GUARANTEE OF ADMISSION, STANDING, AND TRANSFER OF COURSES
Students who graduate from Jamestown Community College with an Associate in Science (AS) in Criminal Justice degree, an Associate in Applied Science (AAS) in Criminal Justice – Police degree, an AAS in Public Safety Technology – Fire Science degree, a Certificate in Corrections Officer Technology, a Certificate in Law Enforcement Technology, or a Certificate in Public Safety Technology – Fire Science, and who have also achieved a minimum cumulative Jamestown Community College grade point average of 2.5, are guaranteed admission into the BS Homeland Security degree program at Medaille College. AS and AAS graduates are also guaranteed full junior status, and Certificate graduates are guaranteed full sophomore status. As detailed in Appendix A-C, by choosing appropriate courses as part of their AS or AAS degrees, students can transfer up to 60 Jamestown Community College credit hours toward meeting requirements for the BS Homeland Security degree. This leaves 60 credit hours to be taken at Medaille College. Students who earn one of the certificates transfer all credit hours required for that certificate (32 credit hours for Corrections Officer Technology, 45 credit hours for Law Enforcement Technology, and 30 credit hours for Public Safety Technology – Fire Science) toward meeting the requirements for the BS Homeland Security degree, and can also transfer any additional credits from Appendix A-C.

GENERAL GUARANTEE OF OPPORTUNITY TO GRADUATE
Students who transfer a minimum of 54 credit hours from among the Jamestown Community College courses listed in Appendix A, Appendix B, or Appendix C are guaranteed the opportunity to earn the bachelor’s degree in two years, with the equivalent of four continuous semesters of full-time study at the normal coursework rate of 12 or more credits per term, at Medaille College.
