

CERTIFICATE

Graphic Design

curriculum code: 1782 | HEGIS code: 5012

minimum credit hours required: 25

This certificate program concentrates on the core courses necessary to have a career in design. Courses include graphic design, typography and layout, animation, three-dimensional design, four-dimensional design, animation, drawing, and the possibility of an internship. Coursework will provide opportunities to learn emerging software, build technical skills, and create a portfolio of professional work samples. Program completion will require students to attend some classes on the Jamestown Campus.
